

1-2 PUNCH... Zion Chapel's "1-2 Punch" on offense this season has been provided by Michael Hill (1) and Tony Shiver (3).

Rebels fall 36-13

(From combined reports)

The Zion Chapel Rebels traveled to Louisville last Friday night and came home stinging from a 36-13 loss to the Louisville Red Devils.

The Rebels got off to a bad start when on their second play from scrimmage a pitchout failed to find its target and a Louisville player scooped up the ball and rambled 26 yards for a score.

Zion Chapel refused to let the quick setback dampen its spirits.

however, and the Rebels rallied to take a 7-6 lead in the second quarter. The touchdown came on a one-yard plunge by Michael Hill, while Tony Shiver added the extra point.

Louisville scored a pair of touchdowns late in the quarter to take a 22-7 halftime lead and quickly made it 30-7 in the third stanza.

Zion Chapel never gave up and managed a late score, but it was too little too late, as Louisville held on for the win.

Empty seats won't pay the bills....

Support Your Team

To The Voters of Coffee County

Thank you for your time, courtesy and consideration in my campaign for County Commissioner, District 4, Place 2. If you want honesty, dedication and experience in your county government, I urge you to vote for me in the run-off Tuesday, Sept. 25. I have a sincere desire to serve you. I pledge to work wholeheartedly with you, the citizens of Coffee County, and the other Commissioners for the good of all the people.

I humbly ask for your VOTE AND SUPPORT.

Sincerely,

Bennie C. Beckham

Brantley Bulldogs dump Dozier

STORY & PICTURES BY BILLY WAYNE WILLIAMSON

The Brantley Bulldogs got in the win column Friday night by posting an exciting 20-14 win over the Dozier Tigers, in a game played before a packed stadium in Brantley.

The win gave Brantley a 1-2 record, 1-0 in the Area, while Dozier fell to 1-2, 0-1 in Area play.

Brantley's defense stopped Dozier on the game's initial series and turned it over to the offense, which promptly drove 73 yards in only six plays to get on the board. A 14-yard run by Bernard Foster got the drive off to a quick start, and a 23-yard pass from Foster to Marvin Booker carried the ball deep into Dozier territory. Keith Dorsey got the touchdown one play later on a two-yard plunge and also kicked the extra point to give the Bulldogs a 7-0 lead with 7:18 left in the first quarter.

Brantley took over on its 30-yard line following a punt late in the quarter and went 70 yards in four plays to add to its lead. A 13-yard run by Todd Carpenter kept the drive alive, and on the first play of the second quarter Marvin Booker broke loose and rambled 58 yards to paydirt.

Dorsey's extra point was good, giving Brantley a 14-0 lead with 11:40 left in the half, and it looked like a big Bulldog night.

The second Brantley score woke up the Tigers, however, and Dozier responded with a 78-yard scoring drive to cut the lead in half. The drive was sparked by the passing of Gary Williams, while it was Fred Harris who scored on a four-yard run. Andre Burnett kicked the extra point to pull Dozier within 14-7 with 8:20 left in the half.

Brantley received the ensuing kick and immediately turned it over as Dozier recovered a Bulldog fumble on the 40-yard line. Williams quickly passed Dozier downfield and then scored on a six-yard run as the Tigers got back in the hunt! Burnett's p.a.t. was true, and with 4:22 left in the half the Tigers had pulled even at 14-14.

Brantley took the second half kick and drove toward the Dozier goal behind the running of Marvin Booker. Booker gained 51 yards on the march, only to see the march stopped by a fumble at the Dozier eight-yard line. The Bulldog defense kept the Tigers backed up, and a short punt put the Brantley offense back in business on the Dozier 15.

Booker carried four times to the four-yard line, then Keith Dorsey took it in for the score. The extra point sailed wide, but with 3:02 left in the third quarter, Brantley was back on top 20-14.

Brantley had a chance to add to its lead in the fourth quarter on two occasions, only to lose a fumble on the Dozier 12 and then lose 17 yards on a bad pitchout late in the game.

Dozier didn't give up and went to the air in a last-ditch effort to score; however, Lee Johnson intercepted a pass that sealed the 20-14 win for the Bulldogs.

Marvin Booker gained 169 yards on 25 carries to lead Brantley, while Bernard Foster added 52 yards in nine carries.

Dozier's passing game was not as effective as Brantley's. Lee Johnson intercepted a pass that sealed the 20-14 win for the Bulldogs.

Marvin Booker gained 169 yards on 25 carries to lead Brantley, while Bernard Foster added 52 yards in nine carries.

Dozier's passing game was not as effective as Brantley's. Lee Johnson intercepted a pass that sealed the 20-14 win for the Bulldogs.

FUMBLE... A Dozier running back fumbles after being hit by Lee Johnson (10) and an unidentified Bulldog.

A CHARGING BULLDOG? A Brantley runner bulls ahead for a big gain in the Bulldogs' win over Dozier.

Brantley fined \$500 & placed on probation

Brantley and D.C. Wolfe high schools have been fined and placed on probation by the Alabama High School Athletic Association.

Brantley was fined \$500 and put on probation for a year because of a flagrant, unsportsmanlike act of one of its fans, who attacked one of the game officials September 7 during the Brantley-Red Level football game.

The probationary period is a warning that any other unsportsmanlike acts by anyone connected with Brantley High School or its community before, during or after an interscholastic contest will cause the school to be placed on restrictive probation or suspended from the AHSAA.

Brantley was also advised not to participate in an athletic contest if the same fan is in attendance.

D.C. Wolfe was fined \$250 and placed on probation for a year for using an ineligible player September 7 in its football game against Reelwood, which won 45-19.

The probationary period is a warning that any other unsportsmanlike acts by anyone connected with Brantley High School or its community before, during or after an interscholastic contest will cause the school to be placed on restrictive probation or suspended from the AHSAA.

Brantley was also advised not to participate in an athletic contest if the same fan is in attendance.

Brainstorms.....

With Ferrin Cox

President Reagan seems to make a lot of mistakes... in his comments, etc. However, the voting public continues to favor him over his Democratic opponent, Walter Mondale. Mr. Mondale points out problems, the public agrees and still indicates support for the President. Just guessing, but we feel it is a matter of the people realizing there are problems that need solving; but there is a lack of confidence in Mondale's ability to do as well as the incumbents. Maybe there is an unspoken association of Mondale with former President Jimmy Carter, with whom he served four years as vice president. Nor do we see the Democrats' female VP candidates, adding to the total vote count. In some areas she has gotten votes, but in other places she has caused support to turn away, with the bottom line result being about as it was. If Ronald Reagan doesn't spend too much time talking about delays in getting kitchens remodeled or some other foot-in-mouth blunder, he should win with about fifty-two or fifty-three percent of the vote.

We wonder what happened to the University of Miami football team that started out so tough this year? They did a great job against Auburn in the season opener, but Florida State pointed out some different plans last Saturday.

Less than a third of the registered voters in Coffee County even bothered to turn out and vote this week, but that is okay with the winners. You never know the "what-if" following any election, and therefore we told a couple of folks Tuesday night after the votes were counted that the election was just as official as if all 21,000 registered voters had gone to the polls. We congratulate the winners and offer them our support during the next four years... (that is, as long as they do it the way we think it should be done). Seriously, they deserve a chance to get their feet on the ground, and we urge our fellow citizens to be patient and give them time to do this. Those who lost - or should we say those who got the smallest amount of votes, "cause no one loses when democracy is at work - again receive our congratulations, thanks and best wishes.

Well, we have heard of a few good bass being caught during the past couple of weeks, but maybe they didn't catch them all, 'cause this writer didn't even get a chance to try for them. Adding insult to injury was an invitation to eat fish with some folks who had caught more than they needed or had room for in the freezer. So - okay - we are happy for them; if we can't catch fish, it is good to have friends who can, and do so.

Governor George Wallace has shown the true meaning of loyalty by appointing the 28-year-old son of Dr. Ralph Adams as the new circuit judge in the district. Dr. Adams and George Wallace go back to college days when both were struggling to survive. Adams appointed Adams as president of Troy State. Adams continued to be loyal with money and actions; and when the new judgeship opened up and Adams let it be known his son was available, the Coffee County politicians didn't have a chance. Sam Adams will be the new judge on October 1, and we wish him well. He will need a lot more than friendship with Wallace to win election to the office in two years when he must face the voters. Enterprise folks had been told the appointment would come from that city and they are a bit upset over the turn of events.

Obituaries

DR. JAMES CLAY

Dr. James L. Clay, 56, of Elba, died Wednesday, September 19, 1984, in Elba General Hospital. Funeral services were held Friday, September 21, at 10:30 a.m. at the Elba United Methodist Church, with Rev. John Carmichael officiating. Letters To Editor

Dear Editor,

Last Thursday, September 20, while I went into the Big Bear Grocery Store in Elba, for a few groceries, my mother stayed in the car with our little black and white Boston Bulldog Terrier puppy. Without her noticing, Bam Bam got out the window. He is four months old and was a birthday present to our little dwarf daughter on her 13th birthday. We looked, and many people, including the nice policeman on duty, helped us hunt him, but we never found him.

Our daughter is really hurt and misses her pet. Our whole family loved and miss him. So we will give a Boston Bull Terrier puppy to whoever will return our Bam Bam. The puppies are three weeks old and male.

Bam Bam has just got his shots and has had a cyst on his eye, which we were treating with medicine -- he will have to have surgery on his left eye, and has infection in both eyes now.

We live on Road 79, coming toward New Hope from Elba. After crossing Highway 167 on 79, we live in the first white house on the left, going toward Southland Broilers plant, or write Karen Bolling, Rt. 1, Box 60, Jack, AL 36346; or call Elba Police Department.

Thank you,

KAREN BOLLING

Dear Editor,

I am a resident of Coffee County, a parent and a nurse. I feel that if the residents of this county do not unite together to prevent Baptist Medical Center from refusing to accept our newborn babies, who need a boost in order to start their lives, then we are responsible for their death because of an uncaring attitude and irresponsibility.

If we allow BMC to restrict the admission of newborns to their unit due to the county in which we live, then what other restrictions are they going to place on us next? What we keep other specialty units from using the same facilities in the future?

It is up to us as parents and future patients to protect and provide for their prosperity. This unit is not a crippled children's unit but a unit for sick children who may become crippled if not given the special care they need at this early stage of their lives. Who can say their babies or grandchildren will not be born needing special care that can only be given by specially trained personnel and special equipment found at these facilities?

I urge every parent, grandparent,

future parents and grandparents to write your congressman and solicit his aid in keeping this much needed unit open.

Thank you.

Sincerely,
Shirley Smith

Sikorsky Awarded

Aircraft Maintenance

Services At Rucker

Sikorsky Support Services, Inc. of Stratford, Connecticut, has been awarded the FY 1985 aircraft maintenance services contract at Fort Rucker, Alabama. The contract, awarded September 19, 1984 for an estimated \$188,965, provides for aircraft maintenance and related services for the more than 600 aircraft at Fort Rucker.

Persons interested in more information about adoptions should contact their county Department of Pensions and Security.

Pensions & Security

Reports Increase In

Number Of Adoptions

Since October 1983, the Department of Pensions and Security has placed more than 300 children with adoptive families. Two hundred fifty-one children were placed in adoptive homes during the previous 11-month period.

"Obviously, we are pleased that these children can share the special feeling and sense of belonging that can come only from being a part of a family," said Leon Frazier, commissioner of the state Department of Pensions and Security.

Most of the people interested in adoption have in mind a healthy, newborn baby, Frazier said, but only a few babies or very young children are available for adoption.

The greatest need is for adoptive homes for disabled family groups, physically disabled children and black and white school-age children, he said.

For many years, these children were thought to be unadoptable, but, a recent increase in the number of special needs children placed in adoptive homes is cause for optimism, said Frazier.

Of the more than 300 children placed with adoptive families during the past year, 123 were special needs children. One hundred seventeen children with special needs were placed the year before.

"The increase in the number of placements overall, and particularly among children in family groups, is encouraging, and we hope to see the situation improve even more in the future," Frazier said. "It is really a substitute for the love and guidance a child gets from being part of a family," said Frazier.

Persons interested in more information about adoptions should contact their county Department of Pensions and Security.

HENDERSON CHILD HEALTH CENTER.

STROKES

Some of the other names for stroke are apoplexy, or brain hemorrhage. It may also be called a cerebrovascular accident, or CVA. It is a common cause of disability and death in America. However, because of increasing scientific research and the ability of doctors to notice warning signs early, the death rate from strokes has gone down steadily since 1950.

A disturbance in the circulation of blood in the brain is the underlying cause of a stroke. Often, this is the result of a condition in the arteries known as arteriosclerosis; this is to say, hardening of the arteries. It is found more often in people over fifty years of age. In this disease the arteries are clogged, or narrowed by large amounts of fatty deposits from the blood. When a certain part of the brain is unable to receive enough blood supply because it is clogged, then that part may be very suddenly injured. It will, therefore, be unable to function properly. Body movements may be affected if the part of the brain which normally controls or directs movement is involved.

Many times the stroke may be mild, and symptoms last only a few minutes to several hours. One the other hand a person may develop a condition ranging anywhere from weakness to paralysis of the face, the arm or leg. It usually occurs on just one side of the body. This situation may happen in such a way as to give some advanced warning of the disease, or it may happen very suddenly and without warning. The patient's complaints and symptoms will depend on which part of the brain has been injured.

If a person has an illness called hypertension, which is actually high blood pressure, this increased pressure may cause a stroke in the brain to break. The brain then hemorrhages; that is to say, a pool of blood forms somewhere within the brain. In this case the patient often becomes unconscious as well as being paralyzed.

What can be done about strokes? The ideal way of handling strokes is to try to prevent them. This is best done by going to your doctor and telling him of any of the warning signs we have just discussed. He can detect high blood pressure through a very simple and painless test. In many instances he can treat this problem with a high degree of success. Recent scientific findings suggest that a diet high in salt, sugar or fat can contribute to hardening of the arteries and lead to stroke. Ask your doctor how you can modify your diet to help prevent a stroke.

If a person happens to be crippled by a severe stroke, much can be done with medicines and physical therapy to restore his health. The family's understanding and wholehearted cooperation are very important to the total recovery of the patient. Under the guidance of the physician and physical and occupational therapists, the family can do much for the patient such as assisting in an exercise program to restore function and aid recovery.

Faulk Receives Promotion

With WLWI

Don Markwell, vice-president of Colonial Broadcasting in Montgomery, Alabama, has announced the promotion of Dr. Sam Faulk from the position of Program Director to Operations Manager of WLWI-FM in Montgomery.

Assuming the job of Program Director is Dr. Sam Faulk, who has also remained as Music Director for the station.

Faulk, a native of Dothan, has been with WLWI since the station first signed on in January 1978. He has held the position of Program Director since October 1978.

Faulk is from Tallapoosa, Georgia, and is a 1974 graduate of West Georgia College. He joined WLWI in May 1976 and has served as Music Director for the station since January 1979.

In making his announcement, Markwell stated, "Dr. Sam and his staff exemplify the success that can be achieved through hard work and initiative." He further stated that their spirit, desire, and aggressiveness are responsible for WLWI being the dominate force in the Montgomery market and they demonstrate the type of conviction, hard work, and personal initiative that has made Colonial Broadcasting a group to be reckoned with in the near future.

Colonial Broadcasting owns along with WLWI, WWSM-FM in Pensacola, Florida and WUSY-FM in Chattanooga, Tennessee. An application is currently on file with the Federal Communications Commission to acquire a station in Greensboro/Winston-Salem area of North Carolina.

Lisa Smith Receives

BS From UAM

Tammy Lisa Smith of Elba received her bachelor's degree from Auburn University at Montgomery following the 1984 summer quarter.

TSU Dothan / Ft. Rucker

Registration Will Be Held

Thru Oct. 2

Students who wish to enroll in classes at the TSU Dothan/Fort Rucker campuses, Fall Quarter, 1984 may do so through October 2. In announcing the period of late registration, Robert Paul, Chief Executive Officer, said this would permit those students who had not completed the necessary paperwork to register. A small late charge will be assessed those registering after September 19.

Incoming freshmen and transfer students must meet with a counselor for admission and course selection. Office hours are Monday through Thursday 9-6 and Friday 8-1.

For further information contact TSU-Dothan, 793-1445.

Humane Society To

To Meet October 2

The Coffee County Humane Society will hold its meeting on Tuesday, October 2, at 7 p.m. at City Hall in Enterprise.

The public is invited.

New Arrival

JOHN JEREMY WINDHAM and Annette Windham of Enterprise announce the birth of their third son, John Jeremy, on Tuesday, September 11, at Humana Hospital, Enterprise.

Grandparents are Mr. and Mrs. John H. Windham of New Brockton and Mrs. Lina Fuller of Elba.

Mrs. Elba Contest Open

To Elba Women

The Mrs. Elba 1984 pageant will be held on October 20, 7:30 p.m. at Elba High School. Purpose of the contest is for the benefit of Faye Cain Peavy, who hopes to have surgery to restore use of her body after an automobile accident some years ago left her paralyzed.

The contest is open to all married women of Elba, of any age.

To enter the contest, call Kathy Davis, 897-3725; Clevis Ammons, 897-4624; or Penny Sutter, 897-5455.

Kinston Freshmen

Elect Class Officers

The freshman class of Kinston High School held a meeting on September 18 to elect class officers. Out of the ninth grade sections I and II the 1984-85 officers were elected as follows:

President - Lori Johnson
Vice-president - Tracey Daugherty

Secretary - Karen Hataway
Treasurer - Gina Teel
Reporter - Judy Mauch

We would like to welcome five new freshmen students to Kinston this year:

Tammy Parker, Carlton Edwards, Michelle Stapp, Nanette Jimenez and Danny Gates.

PSI Chapter Of Delta Kappa Gamma Holds First Meeting Of Year

Psi Chapter of Delta Kappa Gamma Society International held its first meeting of the 1984-85 year on Saturday morning, September 15th at Holley's Restaurant. Mrs. Rachel Bryan, Mrs. Becky Hayes, Mrs. Melinda Sanders, Mrs. Althea Prescott and Mrs. Margaret Hataway served as hostesses for the meeting. Members enjoyed casual conversation during breakfast. Immediately following the meal, President Annabelle Wilkes called the meeting to order. The invocation was given by Mrs. Beth Bowdin. Mrs. Wilkes then presided over the business session. Mrs. Virginia Sanders, Vice-president, presented a short

program detailing the program of work the club would undertake throughout the year. She also presented members with a copy of the new handbook. Additional reports from various committees were presented.

Members present were: Melinda Sanders, Virginia Sanders, Sara Tillman, June Brown, Nancy Brunson, Margaret Hataway, Althea Prescott, Evelyn Hamm, Barbara Vaughan, Kathy Haynes, Miriam Parker, Merle Bragg, Annabelle Wilkes, Rachel Bryan, Mary Herbert, Judy Killingsworth, Zella Mobley, Onita Archie, Beth Bowdin, Peggy Storey, Elizabeth Lindsey, and Lejane Davis.

Tony Hudson Is Member Of 1984 Majorette Corps At TSU

Toni Hudson of Elba is a member of the 1984 majorette corps of the Troy State University "Sound of the South" band.

The daughter of Mary Jo and Harold B. Hudson, Toni is a freshman of TSU majoring in chemistry.

She was a member of the Elba Marching Tigers under Steve Thompson while in high school.

The Troy State University "Sound of the South" has been seen and heard by more people than any other comparable musical organization.

The band, under the direction of Dr. John M. Long, has just returned from an appearance in the Gator Bowl in Jacksonville, FL, where they received a standing ovation from an appreciative audience.

The "Sound of the South" has several major appearances at band festivals and clinics scheduled for this fall. A favorite of football fans

throughout the nation, the band consists of 275 students from approximately 10 states.

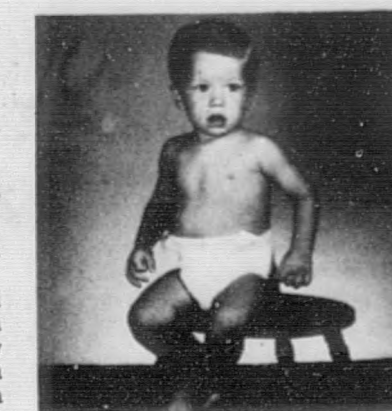

Stephanie Smith - Kathy Tucker Pledge Sororities

Stephanie M. Smith, daughter of Mr. and Mrs. Fred Smith, Jr., of Elba has recently pledged the Chi-Omega sorority at Huntingdon College in Montgomery.

Kathy Tucker, daughter of Ed and Anna Tucker of Elba has recently pledged the Alpha Omicron

Pi sorority at Huntingdon College in Montgomery. Huntingdon College, a Methodist related four year liberal arts college, is proudly celebrating its 130th anniversary and boasts an enrollment of approximately 750 students.

Adam Sutley Is Two Years Old

Adam David Sutley

Adam David Sutley, son of Mr. and Mrs. David Sutley of Elba, celebrated his second birthday August 31, with a cookout of hamburgers, hot dogs, potato chips and birthday cake.

All of Adam's family attended his party, including Granny and Pa-Pa Sutley and Granny and Pa-Pa Rathbone.

Adam received many nice gifts.

The best temperature for brewing coffee is said to be 180° F.

Aaron Lee Jones

Aaron Jones To Celebrate 1st Birthday October 1

Aaron Lee Jones, son of Lee and Lia Jones of Enterprise, will celebrate his first birthday on Monday, October 1.

Aaron's grandparents are Mr. and Mrs. C.D. Lowery of Rt. 2, Troy, and Mr. and Mrs. Charles A. Jones, Enterprise.

"One half the world cannot understand the pleasures of the other," Jane Austen

"Mr. Toop, please. You must desist," says Miss Skillon (played by Mary Collier of Troy) center, to Corporal Clin Winton (played by Terry Milner of Clinton, Miss.) and Penelope Toop (Starla Kelley of Ozark) in a recent rehearsal of Philip King's "See How They Run," scheduled for October 1 and 2 in Kilby Hall Auditorium, on the TSU main campus.

"See How They Run" To Be Presented At TSU

"See How They Run" a British comedy in three acts, will be presented October 1 and 2 in Kilby Auditorium, 8 p.m. on the Troy State University main campus. The production, directed by Dr. Judith Lewis, will mark the beginning of the TSU Speech and Drama Department's Theatre season.

The smash London hit is fast in action, involved in plot and so rib-tickling that at its finish the audience is left as exhausted from laughter as though they themselves has run a footrace. The plot revolves around characters galloping in and out on the four doors of an English Vicarage. The cast includes an American actor and actress (he is now stationed with the Air Force in England; she is married to the local Vicar) played respectively by Terry Milner of Clinton, Miss., and Starla Kelley of Ozark. The cockney maid who has seen too many American movies is played by Amanda Ober of Bedford, New Hampshire.

The village old maid who "touches alcohol for the first time in her life," is portrayed by Mary Simmons of Alexandria, Virginia. "See How They Run" received the following quotation from the English Theatre World after its successful opening in London in 1949: "An apt title for an excellent farce of the most variety. Nor is there any offense anywhere in this admirably written play which deserved a long run for its rollicking good humor."

Tickets for "See How They Run," will be on sale at the door for \$2.00.

CITIZENS OF TOMORROW

Emily Marie, age 3½ is the daughter of Terry and Nancy Wise of Rt. 3, Elba.

Brennan Cooper, 15 months, is the son of Tommy and Stacey Cooper of Montgomery.

Sam Moates, age 6, is the son of Tom and Carolyn Moates of Enterprise, AL.

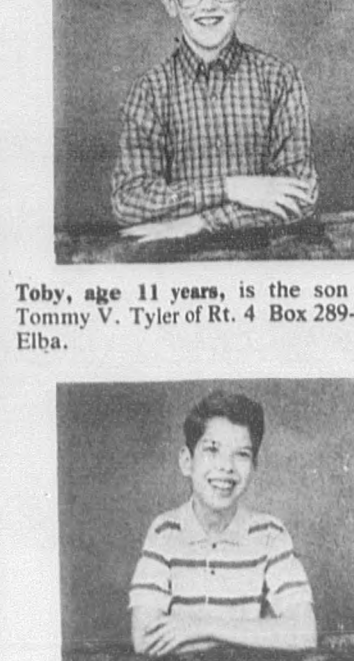

Dougie, age 6 and Derek, age 4 are the sons of Mickey D. Marler of 711 Williams Ave., Elba.

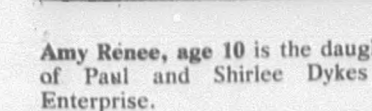

Pat Moates, age 7 is the son of Tom and Carolyn Moates, Enterprise, AL.

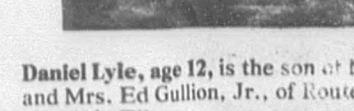

Beverly Ann, age 6 is the daughter of Paul and Shirlee Dykes of Enterprise.

Billy, age 5 yrs., is the son of Jackie S. Smoker 117 Cordelia St. Elba, AL.

Amy Renee, age 10 is the daughter of Paul and Shirlee Dykes of Enterprise.

Daniel Lyle, age 12, is the son of Mr. and Mrs. Ed Gullon, Jr., of Route 4, Box 493, Elba.

1984-85 SENIOR CLASS OFFICERS - President - Michael Maddox; Vice President - Michael Scott; Secretary - Jennifer Farris and Reporter - John Hudson

Support The Tigers . . .

Buy A Spirit Sticker

You've probably seen these spirit stickers on TV . . . on the cheeks of cheerleaders . . . maybe some of

the students from local high schools have had them on.

They're contagious - put them on your face or hands, your clothing, books, notebooks, football helmet and letters to your friends. Their uses are limited only by your imagination. The long-lasting adhesive allows them to be pulled off and reused.

The Elba Junior High cheerleaders are selling these spirit stickers to help raise funds for new suits and to help promote school spirit at the same time. The tiger paw stickers sell at 25 cents apiece and may be purchased from any junior cheerleader or at home football games just inside the main gate, on the Elba side at the souvenir table.

Please support the junior cheerleaders and buy a Tiger Paw spirit sticker.

Dykes Weeks - Martha Holt

Cooperative Ed. Feature

This week the Cooperative Education Program features Martha Holt and Big Bear.

Martha is a junior and has been employed by Big Bear as a cashier since May of 1984. She says she enjoys her work very much, and feels this opportunity to work at the Big

Bear will be very beneficial to her.

Martha and the Cooperative Education at Elba High School would like to express their deep appreciation to Mr. Steve Adkinson and Mr. Dykes Weeks for all the help and concern they have shown.

Sharon Lisa Moore - George Preston Anderson

Seniors Of The Week

SHARON LISA MOORE is the 17-year-old daughter of Mr. and Mrs. Woodrow Culver. She has always attended Elba City Schools. Her favorite class is Advanced Grammar, and her favorite teacher is Mr. King. Her hobbies include swimming, riding around and going to the beach. Lisa is a member of the Beta Club, French Club, Science Club and Mu Alpha Theta. The most memorable time and the most enjoyable time in her school life was the 1984 junior-senior prom. After graduation Lisa plans to go to work in Orlando, Florida, at Martin Marrietta, later go to college at Valencia Community College, and eventually marry Steven G. Todd.

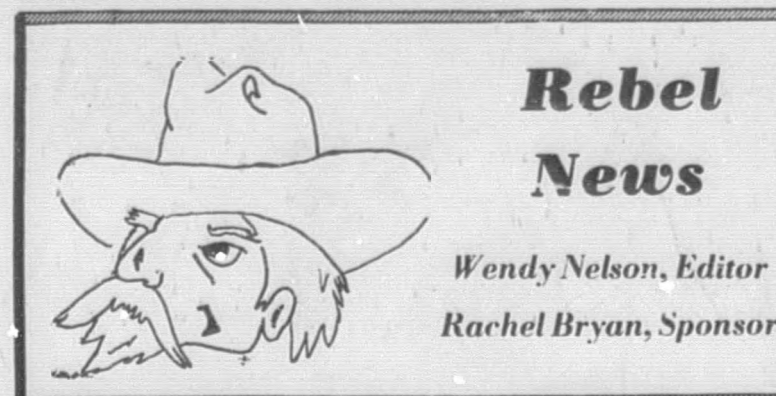

GEORGE PRESTON ANDERSON is the 17-year-old son of Mr. and Mrs. Alvin Anderson. He has always attended Elba City Schools. He is employed at the Big Bear part-time. His favorite class is Auto Mechanics, and his favorite teacher is Mr. Lewis. His hobbies include riding around and listening to loud music. The most memorable time and the most enjoyable time in George's life was the 1984 junior-senior prom. After graduation George plans to attend college.

University Of Alabama Scholarships Available

BY: KIM BRUNSON

The alumni honors scholarship and the two scholarships being offered by the National Alumni Association of the University of Alabama.

Thirty alumni honor scholarships will be presented to high school seniors, based on academic achievement and performance on the American College Test (ACT) and/or the Scholastic Aptitude Test (SAT). The scholarship is in the amount of \$1,206 per year for four years, provided the student maintains a collegiate grade average of "B" or better.

The Alumni Leadership Award is presented to high school seniors who have shown unique leadership ability in their high school, community and state. This award covers two semesters' tuition for a total of \$1,206. Thirty-five of these awards will be presented.

All applications must be typed. Deadline for applications is Thursday, December 13, 1984. Applications are available from the school counselor or through the National Alumni Association, The University of Alabama, P.O. Box 1928, University, Alabama 35886. They can be reached by phone at (205) 348-5963.

Band Gives Plaque To Seamstresses

BY: DAVID MCCARROLL

To show recognition for making the band uniforms needed for this year on such short notice, the band presented a plaque to Mrs. Brenda Smith and Mrs. Mamie Bryan.

Band director David Seay, his wife Jane, band president Wyman L. McWaters, vice president Rhonda Senn, secretary Wendy Nelson, treasurer David McCarroll and drum major Kelly Sheffield were the people who presented the plaque. President McWaters gave a short speech of appreciation and presented the plaque to Mrs. Smith and Mrs. Bryan.

sent the plaque to Mrs. Smith and Mrs. Bryan.

Careers In Government Service

BY: JANET STEWART

Students in the twelfth grade who are planning careers in government service are invited to apply for the sixteenth annual National Washington Crossing Foundation Scholarship award.

Each interested student should write an essay of 200 words or less stating why he plans to have a career in government service. This essay must be accompanied by a recommendation from the high school principal or guidance counselor evaluating the student's achievements, academic and otherwise, particularly any preparation relevant to his career choice. The student's essay must be confined to viewpoint, attitude and purpose in his career choice.

The scholarship award is \$1,000 for the first year, renewable annually at \$500 per year for three years. This is a total of \$2,500 if the student meets the requirements of the college of his choice, maintains a suitable scholastic level throughout the four-year period, and continues his career objective.

The award is granted by the Foundation in recognition of the more than 40 years of dedicated service of author-historian Ann

Hawkes Hutton. She contributed her services to the Commonwealth of Pennsylvania, the Washington Crossing Historic Park, and the message of the importance of our nation's history which occurred and is memorialized in Washington Crossing, Pennsylvania.

A similar scholarship is also granted each year which is limited to students living in or attending school in one of the 13 original colonies. Trustees of the Foundation believe that if our country is to continue to progress, we must have thoroughly trained and dedicated young people to carry on our government's work in future years.

For a list of requirements and application procedures, please see Mrs. Melinda Sanders, guidance counselor.

Dennis Dean

Is Student Teacher

BY: KELLY SHEFFIELD

Dennis Dean, a student from Troy State University, is now doing his student teaching at Zion Chapel High School, under the supervision of Coach Mike Lindsey.

Mr. Dean is presently teaching two biology classes, but in the near future he will work up to a total of five classes per day. He will end his teaching at Zion Chapel on November 20 and will graduate from Troy State during the next graduation ceremony.

Wendy Nelson Is Chosen Homecoming Queen

Miss Wendy Nelson has been chosen by the Zion Chapel student body to reign over the 1984 homecoming. She will be attended by senior Rhonda Senn, junior Beth Murphy, sophomore State Nelson and freshman Donna Griswold.

Wendy is the daughter of Mr. and Mrs. Pete Nelson of Zion

Chapel, and Mrs. Patsy Phillips of Odessa, Texas. She is a member of the Beta Club, the Rebel Marching Band and is the business manager of Rebel 85.

Wendy will be crowned during a pre-game ceremony by Miss Terri Shiver, last year's homecoming queen.

Other homecoming activities include a dinner honoring the Class of 1975, and a dance which will be held in the gym following the ball game. All alumni are invited to attend.

Homecoming will be an event of September 28.

The Amazon river has 1,100 tributary streams.

Uni. Of Montevallo

Offers

Scholarships

BY: JASON "Gator" HUSSEY

The University of Montevallo is offering several different scholarships for the year 1985-86.

There is a booklet in the guidance office containing information about each scholarship. Financial assistance information is also provided in the booklet.

For more information pertaining to scholarships to the University of Montevallo, contact our guidance counselor or the University of Montevallo.

NATURAL GAS FOR YOU NOW! We're Making It Easy

HURRY! PROMOTION ENDS OCTOBER 12

The Southeast Alabama Gas District wants to convert all homes on its distribution lines to Natural Gas—SO WE ARE SUBSIDIZING CONVERSIONS—Like this:

PROPANE USERS FREE!

We'll convert your home to Natural Gas FREE—if YOUR HOME IS ON OUR DISTRIBUTION LINES AND YOUR SERVICE LINE IS IN PLACE. Free conversion includes necessary modification of up to five existing outlets. (Any over five, we will modify and bill you at our cost.)

IF YOUR NATURAL GAS SERVICE LINE IS NOT IN PLACE, we will bill you for service line installation.

ALL-ELECTRIC HOMES

\$150 Rebate

PLUS FREE WATER HEATER

IF YOUR HOME IS ON OUR DISTRIBUTION LINES, we'll convert your all-electric home to Natural Gas and reward you with a \$150 CASH REBATE. We will also install a 30-GALLON WATER HEATER FREE. Here's how it works:

1. You sign a contract with the Gas District for installation of Natural Gas heating for the entire home.
2. We complete the work and bill you at our regular contract price. WE ALSO REPLACE YOUR PRESENT WATER HEATER (IF NOT GAS) WITH A 30-GALLON AUTOMATIC NATURAL GAS WATER HEATER FREE!
3. You pay us for heating installation only, and WE IMMEDIATELY REBATE \$150.00.

OFFER ENDS OCTOBER 12, 1984. Get full information from your Gas District Office.

ALL AROUND COFFEE COUNTY

THOMAS C. CASADAY

PRIDE

James Jackson of Route 1, Jack, in the Victoria County, took a lot of pride in growing high-quality peanuts. Jackson has only a small acreage of peanuts, but he makes an extra effort to make a high yield. He plowed up some of his peanuts this week, and they were nematode-free with a lot of sound mature kernels. I look for his peanuts to grade high.

It is good to see growers put together a package approach to growing high yields of high-quality peanuts. These two things combined will keep Coffee County peanut producers in the business.

NEMATODES

Nematodes damage in peanuts is widespread in Coffee County. I have seen more nematodes the past couple of weeks than I have seen in several years. A lot of fields are infested with this profit-robbing pest.

Dr. Austin Hagan, Extension plant pathologist and nematologist, pointed out recently that waiting to test for nematodes until mid-winter is just about a waste of time. Now is the time to get samples from corn and grain sorghum and other fields that will be going into peanuts next year. We have instructions and supplies at the office to take samples. Samples are also available at agri-business firms.

If you suspect nematode damage in fields, I would like to see them. I can urge you to send samples in. The National Peanut Festival is set for October 13-27 in Dothan. Just recently I received copies of the program from the Festival Committee. I am really impressed with the number of crop and vegetable exhibits which carry good cash prices. Such items as potatoes, pumpkins, peanuts, grain sorghum, corn, soybeans, cotton, and pecans are all in the catalog.

All entries must be brought to display area on Sunday, October 21, between 1:00 and 3:00 p.m. Prize money checks will be issued on October 28 during the same hours. If you would like more information on this, call us or we will send a copy of the brochure to you.

SSI Makes

Payments To

Disabled Children

Supplemental Security Income (SSI) payments can be made to disabled and blind children as well as to adults. Mary Coleman, Social Security district manager in Dothan said recently.

SSI is a Federal program that provides a basic cash income to people 65 or older, or disabled, or blind who do not have much income and do not own much in the way of personal property or real estate. There is no age limit for SSI payments to people who are disabled, blind, or deaf-blind. Young children can qualify as well as people beyond 65.

For a child under 18 to be eligible, he or she must have an impairment that compares in severity to one which would prevent an adult from working for a year or more. Mrs. Coleman said. Blindness is defined as central visual acuity of 20/200 or less in the better eye with use of a corrective lens or restriction in the visual field to 20 degrees or less.

In addition to meeting the disability requirements, a child must also meet the income and resources tests to get payments. The parents' income and resources count toward the child's eligibility after certain deductions are made.

Generally SSI payments cannot be made to a person in a public institution. But people living in a publicly-operated community residence serving no more than 16 people may be eligible.

The maximum SSI payment is \$314 a month, but this amount is reduced if a person lives with someone else or has income above a certain limit.

A child cannot get SSI payments and take part in the Aid to Families with Dependent Children program. The parents of a child eligible for both programs can choose the one that best fits the family needs.

For more information about SSI payments, contact the Dothan Social Security office, located at 204 N. Oates St.

WINNER

Robert Routzong, 4-H Club member from Zion Chapel, is the state winner in small engines. Robert is the son of Mr. and Mrs. Hal Routzong of Route 2, Troy, and is a freshman at Troy State University.

Routzong is in Richmond, Virginia, attending and competing in the Regional Engineering Event for southern state winners. He is attending the five-day competition with five other 4-H members from Alabama. Routzong's specialty is small engine repair and maintenance. He is the best 4-H Club member in Alabama in this event.

Congratulations to an outstanding young man from the Zion Chapel Community. Coleman Redmon in the Brooklyn Community has an excellent small patch of sweet potatoes. They will be harvested soon, and the yield should be good.

Not very many people grow sweet potatoes, but those who do are experiencing a lot of damage by wireworms and the white fringed beetle larvae. In fact, in recent years white fringed beetle larvae are more damaging than the wireworms. Dyfonate used alone or in combination with other insecticides will give good control of the wireworms. The white fringed beetle can best be controlled by using Tordon.

If you are having problems with your sweet potatoes, get in touch with us next spring when you plant, and we can give you specific recommendations on how to grow insect-free sweet potatoes. Our gardens can stay busy producing food almost year round if we choose the correct vegetables. A garden is much easier to keep if we have vegetables growing in it instead of weeds and grass.

ORNAMENTAL PLANTINGS

Just recently I was checking some dead azaleas to see if I could determine the cause of death. It appeared to me that these plants had not been put out properly. They had been planted two to three inches too deep, and I feel that the plants smothered. This just points out that we should plant our ornamentals at the same depth that they were growing at in the nursery or in the can.

These azaleas also appeared to be root bound. The roots should have been loosened up by cutting some of the roots at planting time to allow for new root growth.

Starting with good specimens and proper planting will go a long way in insuring good livability of your new ornamentals.

IMPROVE YOUR THIS FALL
If you think your yard isn't all it could be, you can plan to beautify your home next spring by planting now. Fall is the time to plant crocus, daffodil, hyacinth and tulip bulbs.

PRUNING? BE CAREFUL!
Remember, pruning any of your stone fruit trees such as peach, nectarine, plum or cherry during the fall and early winter can cause your trees to die. It will be safe to prune your trees in late January and early February. It is all right to continue to prune your other deciduous fruit trees during the fall-winter period as normal.

STATE 4-H WINNER - Robert Routzong, right, son of Mr. and Mrs. Hal Routzong of Rt. 2, Troy, is the state Small Engine winner. Robert will now attend the Eastern National 4-H Engineering event in Richmond, Virginia, during September. Robert is a 4-H'er from Zion Chapel High School and a member of the State Small Engine Fraternity. Pictured with Robert is Tony Cook, Cooperative Extension Program Associate.

Staff Sgt. James R. Fuller, left, Elba, is presented a Certificate of Retirement from the technician program of the Alabama National Guard by Maj. Gen. William A. Hornsby, adjutant general of Alabama. Fuller retired after more than 25 years military service. He worked as unit administrator for Headquarters, 3rd Battalion 117th Field Artillery in Troy in his last assignment.

Horticulture Tips

DAN J. PRESLEY

LATE FALL VEGETABLE PLANTS

In checking over my planting guide for late fall vegetables, I find that the following vegetables can still be planted: broccoli transplants, collards, carrots, kale, lettuce, mustard, radishes, spinach, squash, and turnips.

Our gardens can stay busy producing food almost year round if we choose the correct vegetables. A garden is much easier to keep if we have vegetables growing in it instead of weeds and grass.

ORNAMENTAL PLANTINGS
Just recently I was checking some dead azaleas to see if I could determine the cause of death. It appeared to me that these plants had not been put out properly. They had been planted two to three inches too deep, and I feel that the plants smothered. This just points out that we should plant our ornamentals at the same depth that they were growing at in the nursery or in the can.

These azaleas also appeared to be root bound. The roots should have been loosened up by cutting some of the roots at planting time to allow for new root growth.

VIEWS FROM

THE PRESSBOX

BY RICKY MULARZ, EDITOR

The Elba Tigers assured themselves a place in history Friday night when they rolled up a stunning 50-6 win over Opp. To score 50 points is hard to believe, but to score 50 points against Opp is unreal. Yep, that game will live forever!

Elba played well in the win over Opp and showed all its fans just what it could do. The Tiger offense moved almost at will and looked unstoppable at times as it ate up chunks of yardage in large gulps. The defense gave up a touchdown, but scored two and kept Opp bottled up all night long. It looked good to see Elba gang-tackling and really hitting folks -- real good!

You hate to bring up negatives, especially after a big win, but the Tigers must quit fumbling, or it could prove to be fatal. Elba has fumbled 13 times and lost six in four games; and while I know you have to take chances, fumbles scare me to death. Another item of concern is the lack of penetration by our defensive line, a weakness that shows in the pass rush. The war in the trenches is -- winner take all!

I'm one of the biggest Elba fans in the world, and I thought we played great against Opp. However, I'm grc2dy -- I want us to get better and win 'em all!

The "County Scene" wasn't so happy last week, as only New Brockton was able to pull off a win. Here's what happened:

***New Brockton won 27-12 and continued to pile up the points. Coach Boutwell is famous for his defenses, but this year he's changed his style and the "new" look is just as successful.

***Kinston's offense spit and sputtered last week in the 17-0 loss to Samson. The Dogs' defense is sound, but it still takes points to win. ***Zion Chapel blew one down in Straughn in the last quarter. The Rebels have the talent to win, but will have to quit beating themselves or the wins will be few.

The Clipper "Sports" staff has been shorthanded this season, and we've had to miss some games; however, this week we added another sportswriter and now we're at full strength. Thanks for bearing with us.

Ye ole Polish Prognosticator hit on 23 of 25 picks last week, which ain't too shabby. This week I'll go strictly by what my crystal ball says, so I hope the reception stays clear. Here goes...

ELBA VS. PIKE COUNTY

The Tigers and Bulldogs are both unbeaten, so this ought to be a good one. It will be hard to win on the road, but I think the Black and Gold Tigers will pull it off!

Elba 20 - Pike County 12

KINSTON VS. LONG

The party is over down in Bulldog Country and it will be interesting to see how well Kinston can recover. It could be a "Long" night.

Long 16 - Kinston 6

NEW BROCKTON VS. COFFEE SPRINGS

The Gamecocks got skinned last year, but have grown new feathers and are now flying high. What goes around comes around!

New Brockton 28 - Coffee Springs 8

ZION CHAPEL VS. HOUSTON ACADEMY

The Rebels and Raiders got to battle in what shapes up to be a defensive struggle. I'll pick ZC to win this battle.

Zion Chapel 20 - Houston Ac. 0

OTHER FEARLESS FORECASTS...

Arton 28 - Wicksburg 0

Brantley 14 - Luverne 12

Dosier 22 - Goshen 13

Elba Tigers put perfect record on the line

Friday night against powerful Pike County

The Class 4A "Game of the Week" in Alabama will take place Friday night in Brundidge when the undefeated Elba Tigers (4-0) meet the undefeated Pike County Bulldogs (4-0) in a key Area 3 clash.

Pike County, coached by Wayne Grant, has claimed wins over Andalusia 9-8, Abbeville 20-14, Opp 34-9 and W.S. Neal 46-13; and Elba's Coach Mack Wood knows the Bulldogs are a team to respect.

"Brundidge has got a very good football team," said Coach Wood. "They are big and physical, real aggressive, and filled with talent and ability. Coach Grant has done a super job and we know they'll be ready on Friday night."

"Offensively," stated Wood, "their plan is similar to ours. They like to run out of the I-formation, want to establish the fullback in the

middle, like to run the option and will put the ball in the air. Brundidge is solid on defense with three good backs and a very big line! If we hope to slow 'em down, we'll have to be quick to play off the blocks, use good technique and not miss tackles."

The Brundidge line weighs in at an average of 205 pounds a man and is anchored by Brent Majors (6-3, 228), Alan Helms (6-2, 205), Russell Baker (6-3, 188), Reggie Patterson (6-0, 215) and Vincent Bivens (6-3, 193). The Bulldog speedsters in the backfield include Jerry Wilson, Harry Varnes, Johnny Boyd and Marvin Pearson -- a quartet with speed to burn!

"Defensively," said Coach Wood, "they use a split 40 and only use two down linemen. They will have eight men at the line of scrimmage, and they'll stunt all the

time. If we're going to move the ball, we'll have to be alert in the line, block well and adjust to their stunts. It will be a challenge!"

"The key to winning Friday night is not letting Brundidge intimidate us," said Wood. "We will have to show class and poise, be sound fundamentally and play our game. It's an Area game and it's very important to both teams. It's going to be a tough ball game."

Looking back to last week's 50-6 win over Opp, Coach Wood stated, "It was obvious things went our way! It could have been the other way around, but Friday night we got the breaks and took advantage of them. We played good, but not great. Our offensive line didn't block as well as it should and must improve; while we played a little

loose in the defensive secondary and did a poor job covering kicks. Everybody got to play, however, and it was a big win."

These are the "Big Cats" that open the holes!

Marty Harrelson

Gamecocks are anxious for Coffee Springs

There will be plenty of action in Coffee County this week as all three county schools play at home against rugged opposition.

New Brockton vs. Coffee Springs

You can throw away the record book when these two meet! The New Brockton Gamecocks (2-2) will be out to average last season's 33-13 loss

when they host the Coffee Springs Golden Bears (0-3) in a good old-fashioned headknocker.

The Gamecocks have won two straight games since stumbling early and will take a high-scoring machine into the battle, led by scabback Michael Haynes. The Gamecocks are averaging over 25 points a game against stiff competition, and hope to

light up the board again this week.

Coffee Springs, on the other hand, has scored only 16 points in three losses and has been a major disappointment. The Bears will have to play well on defense or this one could get out of hand.

Kinston vs. G.W. Long

The Kinston Bulldogs return home, but could find Long High to be rude guests when the Rebels invade town.

Kinston (3-1) saw its bubble burst last week in the loss to Samson and must find its offensive punch that has been missing all season. The Dogs have scored only 39 points in four games, which keeps pressure on the defense at all times.

Long (3-1) lost its opener in an upset, but has since defeated Coffee Springs (20-0), Samson (13-7), and

Wicksburg (28-0), and the Rebs are on a roll.

The key here will be the Bulldogs' ability to bounce back.

Zion Chapel vs. Houston Academy

Zion Chapel (1-3) hopes to get back on track when it hosts Houston Academy (1-3) in a big game if the Rebels hope to post a winning season.

The Rebels blew a big lead in the fourth quarter last week, and once again were the victims of numerous turnovers. If the Rebels can keep from self-destructing, the wins will come.

Houston Academy has had a punchless offense this season, scoring seven points in each game, and is little better on defense. It looks like a good chance for a Rebel win!

Crowe & Weeks combine to win member-guest scramble

The Elba Country Club held a member-guest "scramble" golf tournament recently with the team of Dale Crowe and Scott Weeks taking top honors with rounds of 63-62 for a 125 total.

The team of Clermon and Jerry Hanchey won the Championship B flight with a 137; Tommy Morrow and Donnie Warrick took the first flight with a 138; Stan Marsh and Claude Devane claimed the 2nd flight with a 136; Mike Russell and Duce Taylor won the 3rd flight with a 143, and David Stokes and Billy Schofield took the 4th flight with a 145.

Following are complete results:

CHAMPIONSHIP A FLIGHT

1. Crowe & Weeks 63-62-125
2. Capps & Henderson 64-63-127
3. Kelley & Handley 62-66-128

Also, Clark and Bassett 129, Osburn and Kennedy 130, and Holley and Martin 131.

CHAMPIONSHIP B FLIGHT

1. Hanchey & Hanchey 68-69-137
2. Ham & Johnson 68-70-138
3. Young & Burns 69-69-138

Also, Mills and Senn 139, L. Grantham and J.K. Stephens 139, and F.D. Morrow and Brown 144.

1st FLIGHT

1. T. Morrow & Warrick 69-69-138
2. Bowers & Daniels 69-70-139
3. T. Hudson & Guthrie 69-73-142

H. Hudson & B. Hudson 69-73-142
Also, Skinner and Bowell 144.

and Marler and Bradshaw 69-76-145.

2nd FLIGHT

1. Marsh & Devane 72-64-136
2. Pope & Senn 72-68-140
3. R. Hudson & Danaey 71-72-143

Cade & Grimmer 71-72-143
G. Brunson & Lisenby 71-72-143
Also, Murphree and Boutwell 72-WD.

3rd FLIGHT

1. Russell & Taylor 72-71-143
2. F. Hudson & Kelley 73-72-145
3. Williams & Stokes 75-71-146

Also, K. Grantham and D. Stephens 149, and B. Brunson and W. Morrow 150.

4th FLIGHT

1. Stokes & Schofield 75-70-145
2. Jared & Holley 80-75-155
3. Tm. Morrow & Thomason 80-76-156

Also, Farmer and Williams 165, M. Marler and Bandstra 170, and J. Taylor and R. Williams 175.

THANKS

For re-electing me for another four-year term as Constable in Beat 6. Again I pledge to serve all of you to the best of my ability.

Avery Jackson

Pd. Pol. Adv. by Avery Jackson, Elba, AL

Act 1 - "The Fumble" - Elba's Craig Murdock (66) knocks the ball loose from an Opp runner on the kickoff following Elba's third touchdown.

Act 2 - "The Touchdown" - Elba's Terry Ware (53) heads for a touchdown after picking up the fumble on the kickoff.

Elba Tigers run wild, demolish Opp Bobcats 50-6

The Elba Tigers combined an explosive offense and an intimidating defense Friday night and the result was a lopsided 50-6 win over the Opp Bobcats.

The win upped Elba's record to 4-0, while Opp fell to 2-2 with the loss.

Opp received the opening kick and moved to two quick first downs before the Elba defense stiffened and forced a punt. Elba's Todd Sanders got a hand on the punt, which traveled only four yards, and the Tigers took over on the Elba 34-yard line.

The Elba offense was ready to go to work and drove 66 yards in 13 plays to take an early lead. A 19-yard run by Michael Scott and a 13-yard run by John Hudson were big plays in the drive, while the touchdown came on a 13-yard pass from Hudson to John Osburn. The extra point sailed wide, but with 2:10 left in the first quarter Elba was on top 6-0 and the rout was on!

The Tigers got the ball right back on a punt, and this time drove 73 yards in only three plays to add to

their lead. A 43-yard run by Michael Scott got the drive off to a quick start and Richard McKinnon got the touchdown on a 28-yard scamper. John Hudson passed to John Osburn for a two-point conversion, giving Elba a 14-0 lead with 10:59 left in the half.

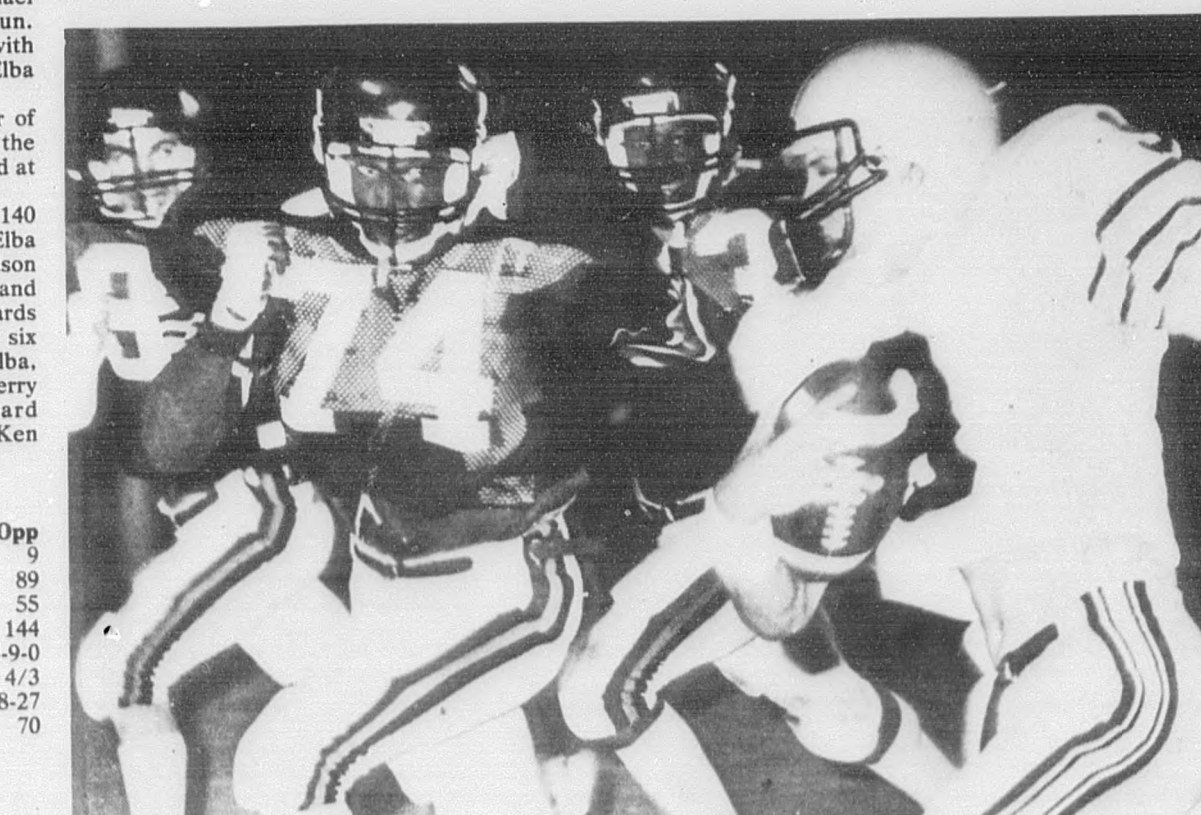

Elba's next scoring drive began with 2:59 left in the half and covered 62 yards in six plays. A 43-yard run by John Hudson on third down kept the drive alive, and two plays later Hudson fired an 11-yard pass to John Osburn for another Elba touchdown. Hudson added the p.a.t. and with 1:48 left in the half the Tigers' lead was up to 21-0.

A jarring tackle by Craig Murdock on the ensuing kick separated an Opp player from the ball, and Elba's Terry Ware picked up the fumble and trotted 21 yards into the endzone as the Elba fans went wild! John Hudson's p.a.t. was good, giving the Tigers a stunning 28-0 lead with 1:35 left in the half.

Opp also bobbled the next kickoff, but this time Willie Mullins picked up the ball and rambled all

Touchdown Bound! Elba's John Osburn (86) heads for the endzone after pulling in a John Hudson pass.

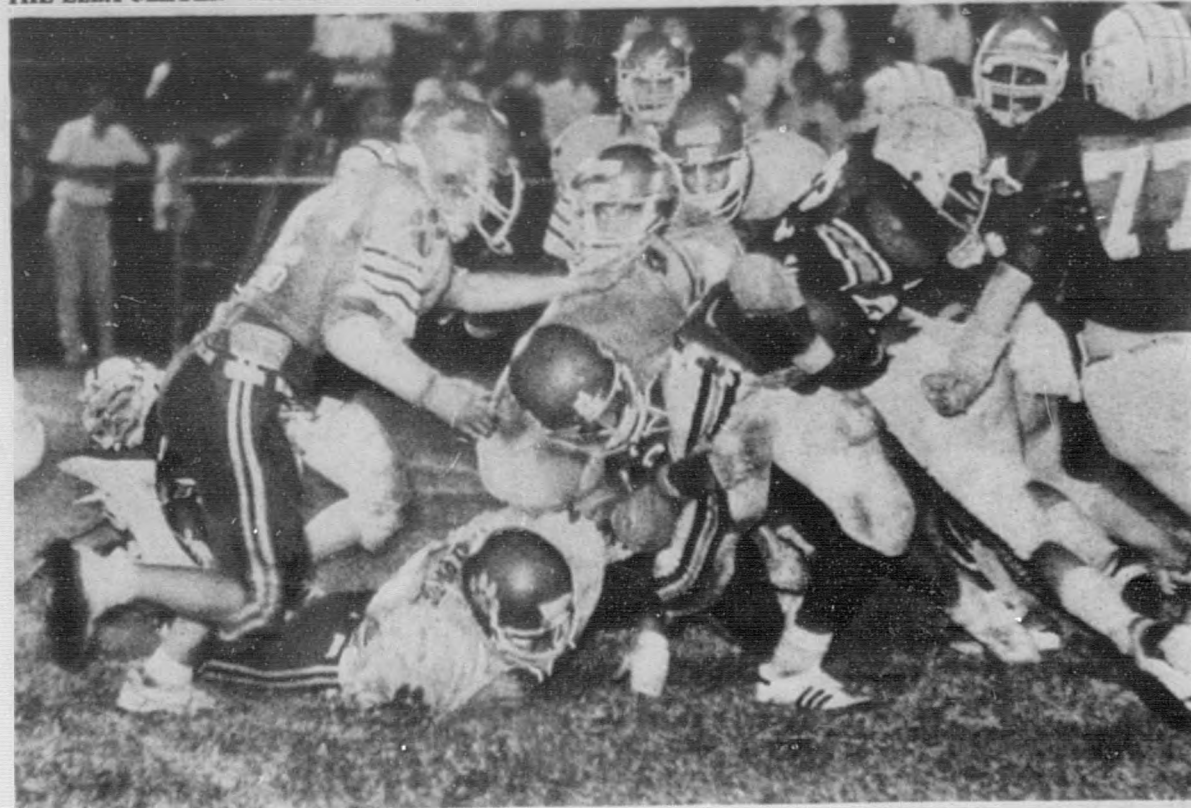

Elba's linebacker Ken Ware (74) closes in to stop an Opp runner. Also closing in are Brian English (85) and Terry Ware (53).

Elba Drum Major Stacey Santa Rossa directs the Marching Tigers during Friday night's halftime performance.

Support The Elba Tigers Friday Night... Travel To Brundidge and Let'em Know Our Team, Our Band & Our Fans Are Number 1 !!!!

Kinston's Leroy Barron (22) finds no room to run in the middle of the Samson defense. Kinston lost 17-0 to see its record slip to 3-1.

Samson ends Kinston winning streak with 17-0 whitewash

STORY & PICTURES BY
GRZG BRUNSON

The Kinston Bulldogs suffered their first loss in four games this past Friday night in Samson. The Tigers controlled the line of scrimmage throughout the ball game and the Bulldog offense lost five fumbles to

lead to the 17-0 victory for Samson. It took the Samson Tigers only five plays on their first possession to record the first points of the ball game. On third-and-seven, Hank Gilmore dropped a pass and hit Willie Poon racing down the sideline. This play was good for 67 yards

and a touchdown. Willie Harrison missed the extra point attempt, leaving the score Samson 6 - Kinston 0. Neither team could score on their next possession, and an exchange of punts pinned the Bulldogs on their one-yard line. On the second

snap, Glen Barnes was trapped in the endzone for a safety. This made the score 8-0 with 1:58 remaining in the first quarter. The Tigers took the ball on the free-kick at their own 48-yard line and quickly drove in nine plays to the Kinston four-yard line. On fourth

down, Willie Harrison booted a 21-yard field goal to stretch the lead to 11-0 with 9:29 to play in the first half. The Bulldogs took the ball on the free-kick at their own 48-yard line before Willie Poon recovered a fumbled pitch-out and rambled 55 yards for another Samson touchdown. Harrison again missed the point-after, leaving the score 17-0 with 7:47 to go in the second quarter. Willie Poon recovered another Bulldog fumble before the half, but the Tigers were unable to take advantage of this turnover.

During the third quarter there was very little offense by either team. Hank Gilmore and Craig Lolley each recovered Bulldog fumbles, while Danny Bedsole made a fumble recovery for the Kinston team. On their first possession of the fourth quarter, Kinston drove the ball to the Samson 20-yard line, only

Kin.	Sam.

The Kinston rushing attack was led by Alvin Henderson with 53 yards on nine carries; Leroy Barron with 39 yards on seven totes, and Paul Folmar who picked up 34 yards on five tries. Willie Harrison led the Samson offense with 127 yards on 27 carries.

Kenneth Stokes wins Po Boy

Bass Club tourney

The Po Boy Bass Club held its monthly tournament on September 15.

Kenneth Stokes rallied near the end with 5 lbs. 9 ozs. to beat Mike Farris with 4 lbs. 3 ozs. Kenneth also got big fish with a 3 lb. 6 oz.

Both fishermen were using Hustler plastic worms. Jeff Wise slipped by Sweet Johnson for third with 2 lbs. 8 ozs. Anyone 16 years old or over wishing to join the club may contact Larry Bradshaw at 897-5055.

Boat registrations to expire

Sept.30 in Alabama

Marine Police Director William B. Garner of the Department of Conservation and Natural Resources, reminds all boat owners, boat dealers and livery operators that 1984 boat registrations expire on September 30, 1984. There will be a 45-day grace period from October 1 to November 15, 1984, to re-register boats. Boats operated after November 15, 1984, without a current registration will be in violation of Alabama state law.

Boat owners can re-register their boats at any county probate office, license commissioner's office or in the Marine Police office, Montgomery. All dealer and livery licenses must be registered through the Montgomery office. All questions should be referred to the Marine Police Division, Administrative Building, 64 North Union Street, Montgomery, AL 36130, phone 261-3673.

Brantley Bulldogs shoot down

Goshen Eagles 28-7

STORY & PICTURES BY
BILLY WAYNE WILLIAMSON

The Brantley Bulldogs flexed their muscles last Friday night in Goshen and pounded out a 28-7 win over the Goshen Eagles.

The win upped Brantley's record to 2-2, while Goshen fell to 1-3 with the loss.

The two rivals swapped punts after the opening two series for both

teams, with Brantley putting the ball in play on its own 15-yard line to begin its third possession. The third time proved to be the charm, however, as the Bulldogs drove 85 yards in 11 plays to reach paydirt.

A pass from Bernard Foster to Mike Burnett for 13 yards was a big play in the drive, while the score came on an 11-yard run by Marvin Booker. Keith Dorsey added the

extra point, and with 11:55 left in the half Brantley owned a 7-0 lead.

The Bulldogs got the ball back three plays later on a punt and promptly drove 63 yards to up their lead to 14-0. Marvin Booker gained 29 yards during the march and scored the touchdown on a one-yard plunge, and Dorsey's extra point was good, giving the Dogs a 14-0 lead with 7:04 left in the half.

Brantley's Reggie Williams recovered a Goshen fumble on the first play of the third quarter to give the Bulldogs the ball near midfield, and from there the Bulldog offense needed only nine plays to score again.

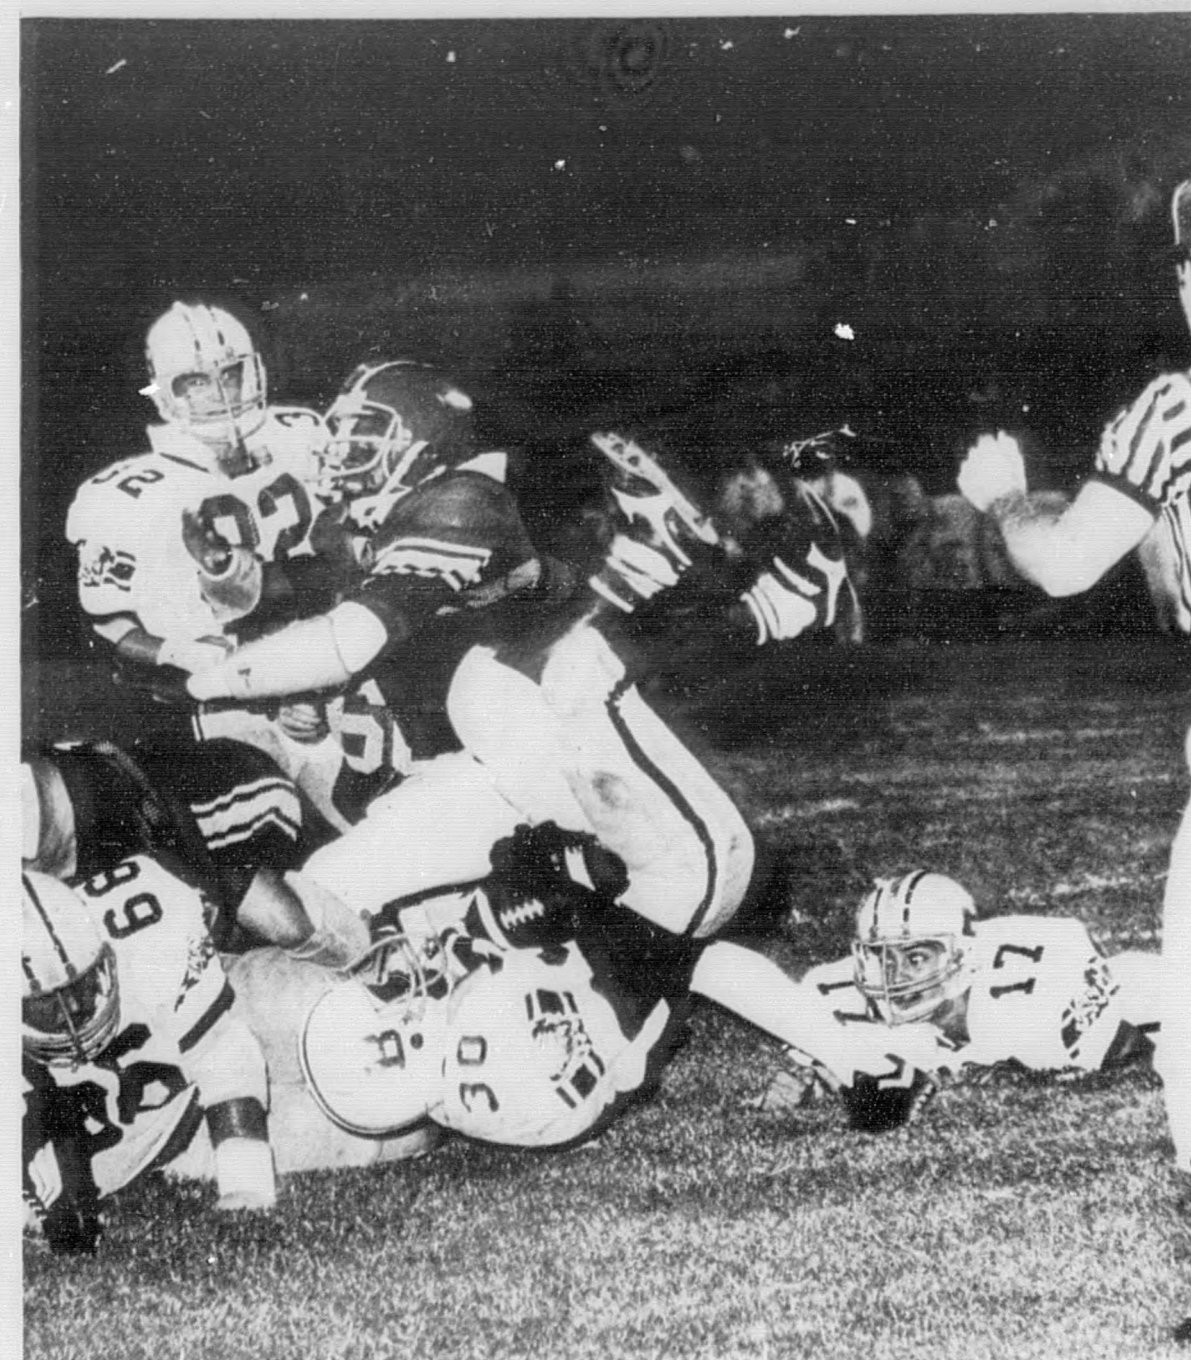

A 16-yard pass from Bernard Foster to Marvin Booker got the drive off to a quick start, while Booker got the touchdown on a two-yard run. Dorsey's p.a.t. was true, upping Brantley's lead to 21-0 with 7:03 left in the third stanza.

The Bulldog defense got into the act on Goshen's next possession, when Rodney Hall scooped up an Eagle fumble and rambled four yards into the endzone. Dorsey's p.a.t. was good, and with 6:06 left in the third quarter Brantley was on top 28-0 and the win was in the bag!

Brantley got the ball right back when Lee Johnson leveled a Goshen runner on the kickoff and Doug Salter recovered; however, the Dogs couldn't punch it in and turned the ball over on downs at the Eagle 17-yard line.

Goshen averted a shutout late in the game when it drove 43 yards to reach paydirt with only 59 seconds on the clock. The score came on a 16-yard pass from Al Williamson to Chris Wilkes, while Freeman Jackson added the p.a.t., making the final score - Brantley 28 - Goshen 6. Marvin Booker gained 111 yards on 17 carries to lead the Bulldog offense.

Elba Jr. Tigers blank New Brockton 14-0

The Elba Junior High Tigers overcame seven fumbles to post a 14-0 win over the New Brockton Junior High Gamecocks last Thursday night in Elba.

The win upped Elba's record to 2-1, while the loss dropped New Brockton's slate to 1-1. The first quarter was a standoff as the Elba defense shut down New

Brockton, and the Elba offense stopped itself with four fumbles! The Elba offense got on track in the second quarter and drove 40 yards to a first down at the Gamecock 11-yard line. A nine-yard loss on a fumbled pitchout slowed the drive, however, and a pass interception on the next play killed the Tigers' hopes for a score.

Elba received the second half kickoff and drove 48 yards in 12 plays to hit paydirt. Robert Wilson gained 46 yards during the drive on eight carries and scored the touchdown on a one-yard run. Matt Henderson ran in the two-point conversion, and with 3:36 left in the third quarter, Elba had the lead 8-0.

A New Brockton mistake set up Elba's next score, as on fourth down the snap on a punt attempt sailed over the punter's head. The punter recovered the loose ball, but Elba took over on the Gamecocks' 11-yard line and scored on its first play as Bobby Bowden burst up the middle for a touchdown. The conversion failed, leaving Elba with a 14-0 lead

with 1:21 left in the third quarter. The Gamecocks took advantage of two Elba penalties to reach the Tiger 34-yard line, but the defense held and Elba held on to post the 14-0 win.

Robert Wilson gained 92 yards on 18 carries to lead Elba, while Bobby Bowden added 26 yards on four carries, and Leon Coleman gained 25 yards on six carries. Quinn Burrows gained 44 yards on 21 carries for New Brockton.

Troy Kelley had six tackles to lead the Elba defense. Robert Wilson had five, and Gappa Wise and Lonnie Dixon both had four.

Dove season to open Oct.6

in south zone of state

Federally approved seasons and bag limits for dove, teal and migratory birds other than ducks and geese were announced recently by Game and Fish Director Charles D. Kelley of the Department of Conservation and Natural Resources.

Kelley said the zones and seasons for doves were established in accordance with Federal Regulations and the Conservation Advisory Board's recommendations. He expressed satisfaction that the daily bag limit will again be 15 per day, 15 in possession, similar to that of last year.

The State has once again been divided into the North and South Dove Hunting Zones, each with split seasons. Kelley advises dove hunters in the North Zone that shooting times in 21 counties of the Zone will vary from those in the remaining counties of the North Zone.

North Zone: Bibb, Blount, Calhoun, Chambers, Cherokee, Clay, Cleburne, Colbert, Coosa, Crenshaw, DeKalb, Elberton, Franklin, Greene, Hale, Jackson, Jefferson, Lamar, Lauderdale, Lawrence, Limestone, Madison, Marion, Marshall, Morgan, Perry, Pickens, Randolph, Shelby, St. Clair, Sumter, Talladega, Tallapoosa, Tuscaloosa, Walker and Winston Counties.

Split Season: Sept. 15-24
Shooting Hours: 12 Noon-Sunset
Split Season: Sept. 25-Oct. 26
Dec. 15-Jan. 1, 1985
Shooting Hours: 30 minutes before Sunrise until Sunset

South Zone: Baldwin, Coffee, Covington, Dale, Escambia, Geneva, Henry, Houston and Mobile Counties.
Split Season: Oct. 6-Nov. 24
Dec. 22-Dec. 31
Shooting Hours: 30 minutes before Sunrise until Sunset
The following seasons will also apply: Rails (clapper, king, spry and Virginia) and Gallinules: Nov. 12 through Jan. 20, 1985, 15 a day, 15 in possession; Snipe: Nov. 14 through Feb. 28, 1985, eight a day, 16 in possession; Woodcock: Nov. 28 through Jan. 31, 1985, five a day, 10 in possession.

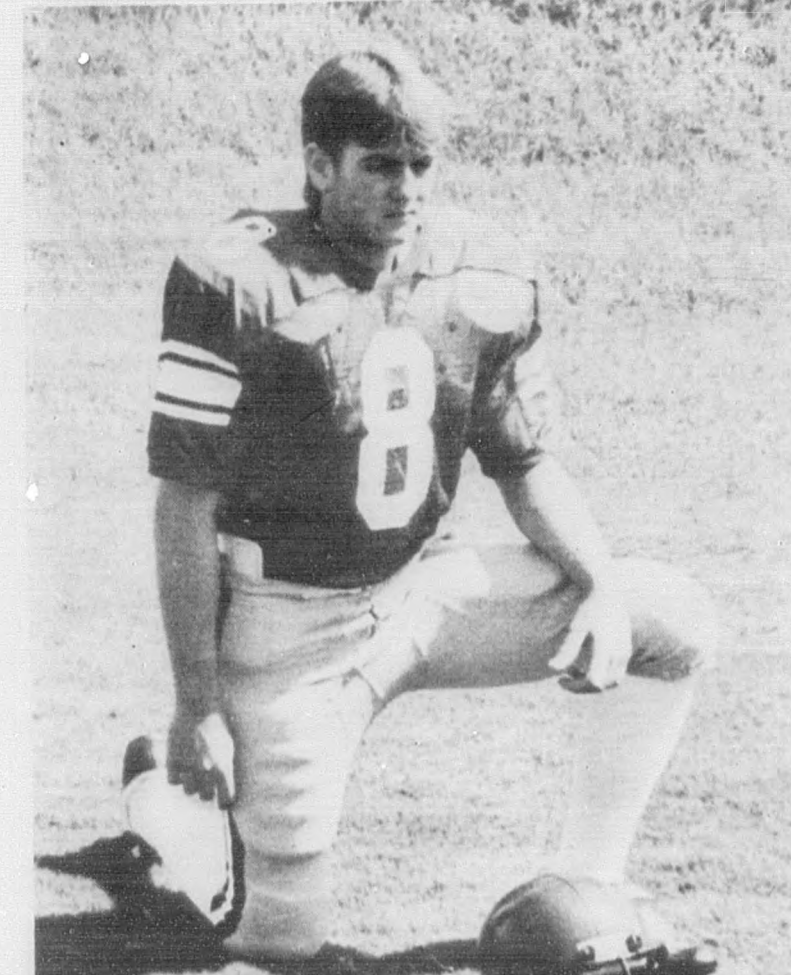

Teal season will be Sept. 8 through Sept. 16, sunrise to sunset, except in the Mobile Delta north of the Causeway and South of the L & N Railroad where the shooting hours will be sunrise until 12 noon. Bag limit on teal is four a day, eight in possession.

Game and Fish Division enforcement officials caution that hunters are required to have Federal and State Duck stamps in addition to a valid hunting license, and if hunting on a wildlife management area, the necessary area permit. Teal hunters are also cautioned to be certain of the identity of their targets before firing, as only teal may be taken during this period.

Hunters are reminded that Federal Regulations, as well as State Regulations, will apply to the taking, possession, shipping, transporting, and storing of these migratory game birds. Long bows and shotguns of 10 gauge or smaller, plugged so the total capacity allows no more than three shells, and the use of standard No. 2 shot or smaller are the only legal arms.

Hunters are further reminded that all land and privately-owned waters, including flooded surface waters, in Alabama are posted by law. Hunting is by landowner's written permission only.

Hunters are urged to exercise good hunter ethics and safety.

Gamecock quarterback Job Paul Sawyer led New Brockton to a second win last week.

Gamecocks rip Florala 27-12

[From Combined Reports]

The New Brockton Gamecocks pulled out to a 27-0 third quarter lead and held on to defeat the Florala Wildcats 27-12, last Friday night in Florala.

The win upped New Brockton's record to 2-2, while Florala fell to 2-2 with the loss.

The Gamecock's first score came with 5:31 left in the first quarter when Michael Haynes clinaxed a 69-yard drive with a 3-yard touchdown jaunt. Keith Patterson added the extra-point and New Brockton was on its way with a 7-0 lead.

A defensive stand gave the Gamecocks the ball on their yardline late in the quarter and Brockton again had no trouble in covering the distance. Michael Haynes sparked the drive with his running and pass catching skills, and got the touchdown on a 6-yard run. Patterson's p.a.t. was true, giving New Brockton a 14-0 lead with 11:25 left in the half.

The Gamecocks blocked a punt and recovered on the Florala 12-only minutes later, but came away empty-handed as on fourth down a field-goal attempt was blocked. The Wildcats drove to the Brockton 7-yard line on the ensuing series, but couldn't take it in, as New Brockton took a 14-0 lead into the dressing room at halftime.

The Gamecocks' lead went to

21-0 at the outset of the third quarter when Keith Patterson took the kickoff and raced 77-yards for a touchdown. Patterson also added the extra-point and the Gamecocks were in command!

New Brockton got the ball back on a punt and continued its dominance by driving to yet another touchdown. Jon Paul Sawyer got the score on a four-yard plunge, and although the p.a.t. failed with 9:45 left in the third quarter New Brockton was in front 27-0.

Florala's JoJo Goldsmith scored touchdowns on runs of 29 and 60 yards to pull the Wildcats within 27-12 late in the stanza; however, Brockton held on and posted the impressive victory.

Michael Haynes gained 135-yards on 26 carries to lead New Brockton.

Reaching For New Horizons

By S.S. Belcher

THOUGHT FOR THE WEEK

God wants to give us life. Our Father, help us not to feel guilty when we ask for the refreshing gift of love. You know our needs. Teach us not to be afraid to ask that they be met. In Jesus' name. Amen.

SCRIPTURE FOR THE WEEK:

Ask, and it will be given you; Seek, and you will find; Knock, and it will be opened. Matthew 7:7

TOPIC FOR THE WEEK:

Creating Moneyless Wealth

Wealth is knowledge, confidence, attitude. It has nothing to do with accumulation of money -- it is the security that comes from knowing that no matter what happens, you can always change your strategies and come out on top. You can take away a person's cash, his financial statements at the bank, everything the world considers wealth. But he'll always have the only thing that really counts -- his own resources. That is -- that person's time, his ability to commu-

nicate, his courage and his knowledge. You don't have to spend any money to be a success.

You might say, if it's as simple as that, then why aren't more people wealthy? Well, it's because people are programmed to fail. We have an unhealthy mindset. Being broke is a state of mind. Success is a combination of having the right attitudes, the right principles, the right strategies, the right techniques and the guts to go out and achieve it.

People are born to succeed. We are programmed to fail by colleges, television, parents and churches. For instance, did you ever take a class in college that taught you how to be financially successful? We might be taught how to get a job, how to work for someone else, but that will never take us to financial success.

What does, then? A job is only a source of income. On the side, however, you can create for yourself an automatic pilot -- a business investment. After five or ten years, it can generate an income that equals or exceeds what you're making from your job. The problem is, most people look at life as an experience in

which one gets a job, works for 40 years, retires at 65, and then, since the average life span is 72, has seven years to enjoy the fruits of a 40-year investment. And that's when wealth is declining.

You can reverse the process, though, by spending ten years really concentrating and making sacrifices. Instead of watching Three's Company, read a book, study, look for investments, become an expert. Then you can do what you want for 40 years.

False assumptions that inhibit us are the facts that failure and risk are bad and that security is good. The way things are going in this day and age, my promise is that there is no security in this rapidly changing world that we live in.

Mrs. Ethel Ellard and Mrs. Clifford Lindsey of New York were home visiting their sisters, Mrs. Onnie Wade and Mrs. Eddie Mae Tyson. Mrs. Ellard also visited her sister-in-law, Mrs. Willie Mae Ellard. Also visiting with Mrs. Wade, Mr. Tyson and Mrs. Ellard

were Mr. and Mrs. Brady Wilkerson of Atlanta, Georgia. Mrs. Wilkerson is the daughter of Mrs. Rose Ellard Harrison of New York.

Mr. Zion Missionary Baptist Church on Taylor Mill Road is having a Trak Meeting this week. The five nights of preaching will be delivered by Rev. E. Magwood.

Everyone is invited to attend these services.

Only about three percent of the earth's water is fresh. About three fourths of the fresh water is frozen in glaciers and ice caps.

Lupus Facts Revealed At Seventh Annual Convention

Some of the major lupus findings highlighted in a paper by Dr. Marc Hochberg at a recent lupus convention are as follows:

Since 1965 a variety of factors, including greater physician awareness of lupus and availability of more sophisticated tests, have led to better methods of diagnosis and improved patient prognosis of lupus, showing more people have it than previously suspected.

Clinical studies consistently show a female predominance of lupus. Because this predominance was most marked among females between the ages of 15 and 64, it is thought that hormonal changes during puberty and childbearing years may have some bearing on the cause of lupus.

Racial groups including American blacks, Puerto Ricans in New York City, Orientals (Chinese, Filipinos and Japanese) and certain North American Indian tribes (the Crow, Arapahoe and Sioux) are noted to have higher prevalence and/or incidence of SLE (Systemic Lupus Erythematosus) when compared to whites. The reason for these racial differences is not known. The two non-infectious environ-

mental factors that trigger SLE symptoms are ultraviolet radiation of sunlight and certain drugs such as procainamide and hydralazine.

In the 1980's improved patient prognosis out the five-year survival rate over 95%, and the ten-year survival rate at 90% after diagnosis. A recent controlled study of 74 women reported a greater percentage of spontaneous abortions was experienced by lupus victims. This increased "fetal wastage" suggests that an underlying hormonal abnormality may be present sometimes.

Dr. Hochberg is associate professor of Medicine, the Johns Hopkins University School of Medicine.

County Road 58 Closed For Repairs

The Coffee County Engineer's Office advises motorists that County Road 58 is closed from Alabama 87 to County 19 at the Lee Community.

The road is open only to local traffic, and will be closed until repairs can be made.

Coffee County Sheriff Brice Paul couldn't aid in pulling up the marijuana because of a broken leg, but did oversee the operation and counted each stalk.

NOT AN EASY JOB... County law enforcement officials pulled up the smaller plants, but needed axes to chop down several plants that were over 30 feet tall.

Kinston Teacher Arrested On Pot Charges

A vocational agriculture teacher at Kinston High School resigned this week following his arrest for trafficking in marijuana after Coffee County Sheriff's Department officials discovered almost 500 marijuana plants growing in a large field near his home.

The teacher, identified as William Cecil Patterson, age 43, of Rt. 2, Kinston, was taken into custody Friday, September 28, only hours after a dozen law enforcement agents raided the marijuana farm. Patterson is now free on \$10,000 bond.

On Friday morning, Chief Deputy Tom Weeks and Narcotics Investigator Dennis Hobbs entered the field from a neighboring field and found the marijuana growing as described by the pilot. No visible signs were seen as to make authorities believe the crop was being cared for, and the decision was made to pull up the plants.

As authorities moved in on the raid Friday afternoon, it was discovered that several hundred feet of water hoses and tubing were connected to a sprinkler at the site of the plants, and that the source of water was a water faucet at a pump house behind Patterson's home.

Authorities pulled up 488 plants during the raid and found a dozen other plants drying near the field. Over 100 of the plants were over 20 feet tall, and many had to be chopped down with an axe.

The plants were placed in the bed of a pickup truck, but the truck would hold only 40 of the giant plants and a peanut drying wagon was brought in to transport the marijuana to a burning site at the Kinston City Hall.

\$75,000 Grant Received For Work At Coffee County Lake

Money to develop Coffee County Lake, including picnic areas, campgrounds, boat launch facilities and support facilities, has been received from the Interior Department's Land and Water Conservation Fund in the form of a matching grant of \$75,000 to the Alabama Department of Conservation and Natural Resources. The announcement was made recently by Senator Jeremiah Denton (R-AL).

Denton said, "Development of this area will be very beneficial for the residents of Coffee County and others who may choose to use the lake. Adequate recreational facilities in all our communities is vital to our health and well-being."

LaDonna Tucker Pleads Not Guilty At Recent Hearing

LaDonna Tucker, accused of murder in connection with the 1981 shooting death of her husband, was back in Elba Monday and pleaded innocent at an arraignment proceeding.

Mrs. Tucker was convicted of murder in 1982; however, the Supreme Court overturned the conviction due to legal errors in the trial.

If found guilty, Mrs. Tucker will face 20 years to life in prison.

Sikorsky Receives \$61 Million Contract At Ft. Rucker

Congressman Bill Dickinson has announced that the Army has awarded its aircraft maintenance contract at Fort Rucker to Sikorsky Support Services of Alabama and Connecticut at a contract price of \$61,889,965.

"The contract, which is for a one-year period beginning October 1, is for providing aircraft maintenance and support services, unit and intermediate depot maintenance, and scheduled inspections for 67 rotary and fixed-wing aircraft at Fort Rucker," Dickinson said.

The Sikorsky company, Dickinson pointed out, is no stranger to Alabama, having recently announced new plants at Troy and Tallahassee. "With the new contract, this makes Sikorsky a multi-million-dollar investor in Alabama," Dickinson added.

"I am pleased that Sikorsky intends to retain current employees working on the contract," Dickinson concluded.

Now Is The Time To Join The Cub Scouts

All boys in grades 2-5 who wish their parents call Mrs. Natalie King to join the Cub Scouts should have: at 897-5414.

Windham Power Lifts Receives \$3.4 Million Contract

Alabama Congressman Bill Dickinson announced this week that seven contracts totaling over \$3.4 million had been awarded to an Elba firm for the construction of 128 heavy duty fork lifts for the Defense Logistics Agency.

"The contracts will help Windham Power Lifts in Elba stay active for many months," stated Dickinson in making the announcement.

Windham Power Lifts was the successful low bidder on seven separate contracts, and the local firm is currently competing for other government contracts.

Unemployment Rate Is Up In Coffee County

The Alabama State Employment Service has released its most recent unemployment figures and the statistics revealed the unemployment rate in Coffee County shot up in July from 8.2 percent to 9 percent.

The rate is still well below the state average of 11.8 percent, but does mean 1,810 people are unemployed in the county.

Following are statistics concerning local counties:

Unemployment Statistics					
County	Civilian Labor Force	Unemployment	July 1984	June 1984	July 1983
Barbour	12,080	1,280	10.6	9.6	13.3
Bullock	4,600	800	17.3	14.5	20.1
Butler	10,020	1,520	15.2	13.9	17.9
Coffee	26,180	1,810	6.9	8.2	10.7
Covington	16,360	1,750	10.7	9.2	14.9
Crenshaw	7,090	780	11.0	10.0	24.3
Dale	11,280	1,750	15.5	14.2	14.2
Geneva	11,890	1,140	9.6	7.5	10.9
Houston	40,990	4,170	10.2	8.7	12.4

Elba Rescue Squad To Hold Important Meeting

The Elba Rescue Squad will hold a very important training session on Saturday, October 6, at 8 a.m. at city hall.

All squad members are urged to attend this meeting to learn vital rescue techniques. The squad recorded another busy month in September with 53 calls, and Captain Charles Farris encourages all citizens to help by joining the squad.
